

Curriculum Vitae

JONATHAN S. STAMLER

Jonathan S. Stamler, MD (President, Harrington Discovery Institute) is an internationally acclaimed physician scientist known for the discovery of protein S-nitrosylation, a global post-translational modification of proteins that is widely involved in both physiology and disease. Stamler is also known for a track record of innovation and entrepreneurship as a founder of institutes, biotechnology companies, medical societies, innovation platforms and impact investment funds. He has co-authored close to 400 manuscripts, books and chapters, and 225 issued patents, and has been recognized with multiple awards. His work has been covered in numerous lay publications, including the front page and science sections of the New York Times, as well as Time Magazine and The Economist, in books on the history of science, and in works on outlier innovators.

Current Address:

Office: Case Western Reserve University
2103 Cornell Road, WRB 4129
Cleveland, Ohio 44106-7294
phone: (216) 368-5724
fax: (216) 368-2968
e-mail: jonathan.stamler@case.edu
e-mail: jonathan.stamler@uhhospitals.org

Home: 19401 South Park Boulevard
Shaker Heights, OH 44122
cell: (919) 971-0328

Birthdate: June 23, 1959 (Wallingford, England)

Citizenship: United States

Education:

1981	B.A.	Brandeis University, Boston, MA
1985	M.D.	Mount Sinai School of Medicine, New York, NY

Postdoctoral Training:

Internship and Residency

1985-1986	Internship, Medicine, Brigham and Women's Hospital, Harvard Medical School. Boston, MA
1986-1987	Resident, Medicine, Brigham and Women's Hospital, Harvard Medical School, Boston, MA
1987-1988	Resident, Medicine, Brigham and Women's Hospital, Harvard Medical School, Boston, MA

Fellowships

1985-1989	Clinical Fellow in Medicine, Harvard Medical School, Boston, MA
1988-1989	Clinical Fellow in Medicine (Pulmonary Medicine), Brigham and Women's Hospital
1989-1993	Research Fellow in Medicine, Harvard Medical School
1989-1993	Clinical/Research Fellow in Medicine (Cardiovascular Medicine), Brigham and Women's Hospital, Boston, MA and West Roxbury V.A. Medical Center, West Roxbury, MA

Licensure and Certification:

1985	Massachusetts Registration # 57936
------	------------------------------------

1988	American Board of Internal Medicine
1991	American Board of Pulmonary Disease # 118996
1993	Cardiovascular Disease (board eligible)
1993	North Carolina Registration /License # 9400364
2010	Ohio License/Registration # 095246

Current Medical Licensure:

- Licensed: North Carolina
Licensed: Ohio

Academic Appointments:

- 1993 Instructor in Medicine, Harvard Medical School, Boston, MA
1993 Assistant Professor in Medicine, Harvard Medical School
1993-1994 Associate Professor in Medicine and Assistant Professor of Cell Biology, Duke University
1995 Associate Professor in Medicine, Assistant Professor of Cell Biology and Adjunct Faculty Member of Toxicology, Duke University
1996-2009 Professor of Medicine, Duke University
1997-2005 Investigator, Howard Hughes Medical Institute
1999-2009 Professor of Biochemistry, Duke University
2004-2009 George Barth Geller Professor for Research in Cardiovascular Diseases, Duke University Medical Center
2009-present Robert S. and Sylvia K. Reitman Family Foundation Distinguished Chair in Cardiovascular Innovation, Case Western Reserve University and University Hospitals
2009-present Professor of Medicine, Case Western Reserve University
2009-present Professor of Biochemistry, Case Western Reserve University
2009-present Founding Director, Institute for Transformative Molecular Medicine, Case Western Reserve University and University Hospitals
2010-present Adjunct Professor of Medicine and of Biochemistry, Duke University
2012-2016 Founding Director, Harrington Discovery Institute, University Hospitals, Cleveland
2016-present President, Harrington Discovery Institute, University Hospitals Case Medical Center

Hospital Appointments:

- 1991 Associate Physician, Brigham and Women's Hospital, Boston, MA
1993-2009 Associate Physician, Duke University Medical Center, Durham, NC
2010-present Staff Physician, University Hospitals of Cleveland, Cleveland, OH
2015-2016 Vice President, University Hospitals of Cleveland, Cleveland, OH
2016 President, University Hospitals of Cleveland, Cleveland, OH

Other Professional Appointments:

- 1992 Visiting Scholar, Duke Marine Biomedical Center

Awards and Honors:

- 1981 Phi Beta Kappa, Magna Cum Laude
1983 Parkinson's Disease Foundation Grant
1989 American Heart Association Fellowship Grant-in-Aid (declined)
1989 Individual NRS (NIH)
1991 Clinical Investigator Award (NIH)

- 1992 Pew Scholar Nominee, Harvard Medical School
1993 Henry Christian Award for Excellence in Research
1993 Pew Scholar in the Biomedical Sciences
1995 Election to the American Society of Clinical Investigation
1996 Nominated for Giovanni Lorenzini Prize for Biomedical Research
1997 Howard Hughes Medical Institute Investigator
1997 Literature Award, Society of Cosmetic Chemistry
1998 Elected to the Association of American Physicians
1999 Eminent Scientist of the Year, International Research Promotion Council
2000 Stanley J Korsmeyer Award Finalist (ASCI Award Finalist)
2001 Outstanding Investigator Award in Basic Science, American Federation for Medical Research Foundation
2002 Saul Horowitz Memorial Award for outstanding scientific contribution, Mount Sinai School of Medicine
2002 Alpha Omega Alpha, Lambda Chapter, Mount Sinai School of Medicine
2003 Sandler Award (for asthma research)
2003 The Ruth and A. Morris Williams, Jr. Faculty Research Prize, Duke University
2004 Named the George Barth Geller Professor for Research in Cardiovascular Diseases, Duke University
2006 The Ewing Marion Kauffman Foundation, “Top Innovators in America”
2008 Robert J Lefkowitz Innovation Award
2009 Coulter Translational Partnership Research Award
2013 Honorary Fellow of the American Heart Association
2013 AHA Distinguished Scientist Award
2014 Crain’s Power 150 (NE Ohio)
2014 Team NEO Award
2017 Jacobi Medallion for contributions to the field of medicine, Mt Sinai Medical Center, NY
2017 Crain’s Who’s Who in Northeast Ohio
2020 Outlier Innovator (<http://pubsonline.informs.org/journal/orsc> ISSN 1047-7039 (print), ISSN 1526-5455). Kneeland MK, Schilling MA, Aharonson BA. Organization Science 2020; 31, 535–557
2021 Innovation Model Award, Harrington Project (External Accelerator; J Commercial Biotech)
2022 Lifetime Achievement Award, International Society for Nitric Oxide and Cancer/Danish Cancer Society, Copenhagen
2023 Lahiri-Cherniak Award Lecture/ Experimental Biology (Am Physiol Society) for contributions to hypoxia research.
2023 Maurice Saltzman Award (for medical contribution), Cleveland

Professional Societies:

- 1985 American Medical Association
1985 Massachusetts Medical Society
1989 American Heart Association
1990 American College of Cardiology
1990 American Federation for Medical Research
1992 American Association for the Advancement of Science
1993 North Carolina Medical Society
1995 American Society for Biochemistry and Molecular Biology
1995 American Society for Clinical Investigation

1996	American Thoracic Society
1996	Nitric Oxide Society (co-founder)
1998	Association of American Physicians
2006	The Robert F. Furchtgott Society

Major Academic Assignments:

1992	Board of Directors, Nitromed, Inc.
1993	NHLBI Workshop - Inhaled NO as a Therapeutic Modality (Maryland)
1993	Scientific Advisory Board - Third International Meeting. Biology of Nitric Oxide (Koln,Germany)
1994	FASEB/ASPET Chair, Symposium: Novel Aspects of NO Biology (Anaheim, California)
1994	Scientific Chairman, Fourth International Meeting, Biology Nitric Oxide (Amelia Island, USA, 1995)
1995	NIH Consultant: Hemoglobin Based Blood Substitutes (RFA)
1995	Basic Science Task Force, Duke University Medical Center
1996	NIH Subcommittee: Review of Cellular and Molecular Mechanisms of Asthma (RFA)
1996	Co-founder: Society of NO Biology
1996	NIH Consultant: Current Approaches to the Treatment of Sickle Cell Disease
1996	Division of Pulmonary and Critical Care Medicine at Duke University, Chief Search Committee
1997	Scientific Committee: 2nd International meeting on O ₂ /N radicals and cellular injury
1997	AHA subcommittee for scientific sessions
1997	NIEHS Search Committee, Chief of the Laboratory of Pulmonary Pathobiology
1997	Internship Applicant Selection (Interviews)
1997	Executive Committee, Toxicology Program, Duke University
1998	ASPET Chair, Symposium: Apoptosis and redox systems
1998	Advisory Committee, 3rd International Conference, Biochemistry and Molecular Biology of Nitric Oxide
1998	Division of Endocrinology at Duke University, Chief Search Committee
1998	NIEHS Search Committee, Director of Lung Research
1998	NIH Adhoc Committee: Bacteriology and Microbiology
1998-1999	American Cancer Society Institute Review Grant Committee
1999	NIH Consultant, Cellular Biology and Physiology (Ad hoc)
1999	Division of Pulmonary and Critical Care Medicine at Duke University, Chief Search Committee
1999	NHLBI Consultant, Cardiovascular Ad Hoc
1999-2009	Steering Committee-Academic Initiatives, Duke University Medical Center
1999	Committee for Translational Medicine, Duke University Medical Center
1999	Co-Chair, Task Force for Basic Research, Duke University Medical Center
1999	Planning Group on Science and Engineering, Office of the Provost, Duke University
1999	Awards Committee, Office of the Dean, School of Medicine, Duke University
2000	Burroughs-Wellcome Awards Nominations Committee, Duke University Medical Center
2000	Search Committee for the Vice Chancellor for Academic Affairs and Dean of the School of Medicine, Duke University Medical Center
2000	Ad Hoc Reviewer, National Science Foundation/organic chemistry
2000	Scientific Advisory Board, Argenox
2001	Organizer, Juan March Workshop on Regulation of Protein Function by Nitric Oxide, Madrid 2001
2001	HHMI Candidate Nomination and Selection Committee

- 2001 Scientific Review Committee, "Oxygen 2002"
2001 Ad Hoc Reviewer, National Science Foundation
2002 Deputy Director for Translational Sciences, Center for Chemical Biology, Duke University Medical Center
2002 Scientific Advisory Board, International Meeting on NO Biology, Prague
2002 Translational Medicine Institute, Duke University
2002 Ad Hoc, Cardiovascular Study Section, NIH
2002 Committee to establish an Endowed Chair at SUNY Downstate Medical Center
2003 Center of Excellence, Kumamoto University, Japan
2003 Steering Committee, Duke Translational Medicine Institute
2003 Department of Medicine Advisory Board, Duke University Medical Center
2004 Scientific Advisory Board, 4th International Conference on Peroxynitrite and Reactive Nitrogen Species in Biology and Medicine
2004-2009 Judge, Annual NIEHS Science Awards
2004 Ad Hoc Reviewer, National Science Foundation
2004 Search Committee for Chief of Pulmonary, Allergy and Critical Care Medicine, Duke University Medical Center
2005 Committee, Translational Medicine Journal
2006 Environmental Airway Disease Project Team, NIEHS
2006 NHLBI Strategic Plan meeting on Integrative Approaches to Pathogenetic Research
2006 Director, Duke Interdisciplinary Training Program in Lung Disease
2006 Roadmap Initiative, NIH
2006-2007 Scientific Director Search Committee, NIEHS
2007-2009 Lung Injury Repair Work Group, Duke University Medical Center
2007-2009 Advisory Committee for the Mouse BehavioralNeuroendocrine Analysis Core Facility, Duke University
2008 Reviewer, American Heart Association Innovative Research Grants
2008 Review Committee, Pew Scholars Program in Biomedical Sciences
2008 Ad Hoc Reviewer, National Science Foundation
2009 Co-Chair, Cross Sectional Symposium on "Novel Insights into Nitric Oxide Signaling", Experimental Biology meeting, New Orleans
2010 Reviewer, AHA IRG Program Study Group
2010 Reviewer, United States - Israel Binational Science Foundation Proposals
2010 Reviewer, Investigator Award of Academia Sinica, Taiwan
2010 DARPA programmatic initiative
2011 Co-Chair, Search Committee for Director, Respiratory Health Institute and Chief, Division of Pulmonary, Critical Care and Sleep Medicine, Case Western Reserve University
2012 School of Medicine Research Committee, Case Western Reserve University
2012 DARPA programmatic initiative
2013 Advisory Committee, Institute for Therapeutic Design
2013 Chair, Innovations Committee, University Hospitals
2013 DARPA-Celegene programmatic initiative
2013 Member, Case Research Institute (CRI) Oversight Committee, University Hospitals and Case Western Reserve University
2014 Mentor, Heart, Lung, and Blood Summer Research Program
2015 Member, Innovation Leadership Council, University Hospitals
2015 Member, Institutional Advisory Board, Case Comprehensive Cancer Center
2016 Member, Transfusion HRM Committee, University Hospitals

- 2018 FASEB Chair, Functional disulfides
2018 Innovation Council, Brandeis University, Waltham Mass

Exemplary Notable/Honorary Lectures:

- 1993 In Honor of Hilary Koprowski
1996 In Honor of Robert Furchtgott
1997 Charles Fumito Taketa Memorial Lecture, Department of Biochemistry, University of Wisconsin at Milwaukee
1998 Märta Philipson Inaugural (special) Lecture, Karolinska Institute, Stockholm, Sweden
1999 Keynote Speaker, Gordon Conference on Nitric Oxide in Biochemistry and Biology, Ventura, CA
1999 Featured Speaker, Association of American Physicians, Chicago
1999 German-American Frontiers in Science, Potsdam
1999 Distinguished Lecture, University of Virginia Health Sciences Center, Charlottesville
1999 Dean's Lecture, Mount Sinai School of Medicine
1999 Johns Hopkins Scholar in Lung Biology
2000 Physiology Course Lecture, Woods Hole, MA
2000 The Konrad Witzig Lecture, Cardiovascular System Dynamics Society
2000 Memorial Lecture in honor of Drs. Reinhold and Ruth Benesch, Rockefeller University
2001 Introduction of Nobel Laureates, "A Century of Nobel Achievements," American Heart Association meeting, Anaheim, CA
2002 Distinguished Lecturer, Cellular Homeostasis Research Lecture Series, University of Southern California
2002 Lubomir S. Hnilica Memorial Lecture, Vanderbilt University
2002 Evans Family Lecture in Vascular Biology, Stanford University
2003 David Cugell Honorary Lectureship, Department of Medicine, Northwestern
2003 Berne Lecture, Department of Physiology, University of Virginia, Charlottesville
2005 Keynote Address, Internal Medicine Research Symposium, University of Michigan,
2005 Redox Signaling Symposium, Karolinska Institute (Nobel Forum)
2006 J. Gerald Reves Heart Center Lecture, Duke University Medical Center
2006 The National Academies Institute of Medicine "Roundtable on Environmental Health Sciences, Research, and Medicine"
2006 Karolinska Research Lecture at the Nobel Forum, Karolinska Institute, Stockholm
2007 Keynote Lecturer, Israel Chemical Society
2007 Distinguished lectureship, Case Cardiovascular Research Institute
2008 Plenary Lecturer, Japanese Pharmacological Society
2008 Grand Rounds, Internal Medicine Research Symposium, University of Iowa
2009 Keynote address, Mexican National Academy of Sciences (declined, personal reasons)
2009 Nitric oxide symposium, Karolinska Institute (Nobel Forum)
2010 Inaugural Keynote address: Molecular Medicine PhD Program, Cleveland Clinic.
2011 Plenary Lecturer, Gordon Conference, Molecular Pharmacology of GPCRs, Ventura, CA
2011 Plenary Lecturer, Gordon Conference, Nitric Oxide Biology, Ventura, CA
2011 Plenary Lecturer, ESF-EMBO, Glutathione and Related Thiols, Barcelona, Spain
2012 Bio-X Seminar "Frontiers in Interdisciplinary Biosciences", Stanford University
2013 Science and Medicine: A Priceless Journey. Key Biomedical Discoveries of the 20th Century, Series. George Washington University
2014 Borun Visiting Professor lecture, University of California, Los Angeles
2014 Plenary Lecturer, GPCR meeting, Cleveland
2014 Cardiovascular Grand Rounds speaker, University of Pennsylvania

2015	Plenary Lecturer, BCVS, American Heart Association, New Orleans
2016	Keynote Lecture, Cancer Rx, MIT, Boston
2017	Dean's Lecture, Research Day, Mount Sinai, New York
2017	Inaugural Ziegler Innovation Lecture, Blood Research Institute, Wisconsin
2018	Plenary Lecture, FASEB Functional Disulfides
2019	The Morton Arnsdorf Lecture, University Chicago
2019	Plenary Lecture, American Society of Nephrology
2019	Microbiology seminar, University of Pennsylvania (UPenn).
2019	Keynote address, Rare Disease Symposium, University of Oxford
2020	Plenary Lecture, Thiol-based redox regulation and signaling, Barcelona (postponed)
2020	Keynote, International Symposium on Redox Biology, Frankfurt (postponed)
2021	Keynote, Plant NO8 Conference, Szegred, Hungary
2021	NSF-sponsored workshop "Cross disciplinary study of PTMs and PRMs"
2022	AHA/Allen Foundation lecture
2022	International symposium Cancer/NO, Danish Cancer Society, Copenhagen
2023	Plenary Lecture, American Physiological Society, Summit, Long beach, CA

Editorial Boards:

1996-2001	Free Radicals in Medicine and Biology
1996-	Nitric Oxide: Biology and Chemistry
1996-1998	Neurobiological Technologies, Inc.
1997-2002	Cell Death and Differentiation
1997-2001	American Journal of Medicine
1997-	Trends in Cardiovascular Medicine
1998-	American Journal of Respiratory Cell and Molecular Biology
1998-2002	Journal of Clinical Investigation
2000-2005	Circulation Research
2007-	Clinical and Translational Science
2008-2019	Trends in Molecular Medicine
2008-2012	Free Radical Biology and Medicine
2009-2019	Circulation Research
2012-2019	Journal of Clinical Investigation
2022-	eLife
2022-	Antioxidants

Scientific Boards and Board of Directors:

1992-1995	Nitromed, Inc. (Co-founder)
1996-2001	Apex Bioscience
1996-	Nitric Oxide (Co-founder)
1996-1998	Neurobiological Technologies, Inc.
2000-2007	Arginox
2002-2007	Neuromolecular Pharmaceuticals, Inc (Co-founder)
2003-2007	Nitrox (Co-founder)
2007-2007	N30 Pharmaceuticals (formerly Nitrox) (Co-founder)
2007-2009	Aegerion Pharmaceuticals
2007-	Adamas Pharmaceuticals (Co-founder, formerly NPI)
2008-2010	Duska Pharmaceuticals
2008-2012	Vindica Therapeutics (Co-founder)

2009-2015	SabrePharm Limited (Co-founder)
2010-2018	LifeHealth (Co-founder)
2012-	BioMotiv (Co-founder, Board of Managers)
2012-	Harrington Project (Co-founder)
2012-	Harrington Discovery Institute (Co-founder)
2015-2018	Nivalis Therapeutics, Inc (Co-founder, formerly N30)
2015-2018	Anteros Pharmaceuticals, LLC (Co-founder)
2019-	Morgan Stanley GIFT Cures (Board of Managers)
2020-	Advent-Harrington Impact Fund, Morgan Stanley platform (Co-founder)
2020-	SNO bio (Co-Founder)
2021-2022	EFC (Co-inventor)
2022-	NNOXX (Co-founder)

Societies Co-founded

Nitric Oxide (Co-founder)

Robert Furchtgott (founding advisory board)

Patents and Technology Licenses:

223 issued patents.

‘Top Patent Applicants in America’ Ewing Marion Kauffman Foundation.

Pharma Licenses: Boston Scientific, Novartis, Aegerion

Outlier Innovator (Organization Science; <https://doi.org/10.1287/orsc.2019.1328>)

Major Research Interests:

Protein S-nitrosylation

Biology of nitric oxide in health and disease

Biochemistry and function of sulfhydryls

Principal Clinical and Hospital Service Responsibilities:

1992-1993	Pulmonary consultant/intensivist, Brigham and Women's Hospital
1992-1993	Staff cardiologist, West Roxbury VA Medical Center
1994-2009	Staff physician, Pulmonary Medicine, Duke University Medical Center
1994-2009	Staff physician, Cardiology, Duke University Medical Center
2010-present	Staff physician, Cardiology, University Hospitals Case Medical Center
2012-2015	Director, Harrington Discovery Institute, University Hospitals Case Medical Center
2015-2016	Vice President, University Hospitals Case Medical Center
2016-present	President, University Hospitals Cleveland Medical Center
2016-	President, Harrington Discovery Institute, University Hospitals

Teaching:

1982-1983	Tutorials in Organic Chemistry
1988-1989	Preceptor, Longitudinal Clinical Medicine Tutorial for M.D./Ph.D. Students, Harvard Medical School, Boston, MA
1991	Supervised post-graduate research of an HST/MD-PhD student and 3 fellows in training
1992-1993	Preceptor HST/MD-PhD Students, Harvard Medical School, Boston, MA
1993	Supervisor to high school and (Duke) college students and medical fellows in basic training
1997	Supervisor of undergraduate research work of a student in the Undergraduate Research Support Program at Duke

1999	Physician Scientist Panel, University of Miami
1999	Ph.D. Thesis Committee, UNC
2001	Cardiology Training Grant, Duke University Medical Center
2001	Co-mentor, Sickle Cell Scholar of the Duke-UNC Comprehensive Sickle Cell Center
2002	Pulmonary Training Grant: Section of Molecular Biology and Signal Transduction Components
2002	T32 Clinical Research Training Grant, Duke University Medical Center
2002	Graduate student training in Cell Biology, Duke University Medical Center
2002	Molecular Cancer Biology Graduate Lecture Program, Duke University
2002	Mentored Sickle Cell Scholar Award (faculty development position), Duke University Medical Center
2006	Director, Duke Interdisciplinary Training Program in Lung Disease
2007	Translational Research Panel for 4 th year Capstone students, Duke University
2011	Scientific Enrichment and Opportunity Program (SEO)
2012	School of Medicine, Research Committee
2010-2013	PhD Thesis Committee for Chao Fang, Case Western Reserve University
2010-2013	PhD Thesis Committee for Bradley Plummer, Case Western Reserve University
2013-2018	PhD Thesis Committee for Colin Stomberski, Case Western Reserve University
2015-2021	PhD Thesis Committee for Bea Tan, Case Western Reserve University
2018-	PhD Thesis Committee for Nicholas Venetos, Case Western Reserve University
2019-	PhD Thesis Committee for Zachary Grimmett, Case Western Reserve University
2020-	PhD Thesis Committee for Kenny Golovan Case Western Reserve University
2021-	PhD Thesis Committee for Joseph Schindler Case Western Reserve University

Institutes and Innovation Platforms

Duke Translational Medicine Institute (Naming Advisor)
 Institute Transformative Molecular Medicine, Case Western (Founding Director)
 Harrington Discovery Institute, University Hospitals (Founding Director)
 Harrington Project (Founder and Co-head)
 Morgan Stanley GIFT CURES (Co-founder)

Biotechnology Companies/Venture Funds Founded or Co-founded

Nitromed, Inc.
 Adamas Pharmaceuticals (formerly Neuromolecular Pharmaceuticals)
 Vindica Therapeutics
 SabrePharm Limited
 LifeHealth
 BioMotiv
 Nivalis Pharmaceuticals (formerly N30, formerly Nitrox)
 Anteros Pharmaceuticals
 SNO bio
 Advent-Harrington Impact Fund (Morgan Stanley)
 NNOXX
