

ADDF-HARRINGTON APPLICATION GUIDELINES

The **Alzheimer's Drug Discovery Foundation (ADDF)** and **Harrington Discovery Institute®** is issuing a call for proposals for a grant award program for **treating, preventing, or curing patients with Alzheimer's disease and related dementias**. This program provides dedicated support from a project management team and pharmaceutical industry experts, as well as funding of up to \$600,000 for two years.

Please see below for the list of sections you will be asked to fill out in your online letter of intent and full application for the grant award program. To access and submit your online application, please log into ADDF's funding system at AlzDiscovery.org/RFPS.

[Version: April 2025]
